

## AMENDMENTS

### In the Drawings

Please review the attached copies of the originally filed drawings. The attached copies include red markings indicating changes required by the Official Action, and adding reference numerals for further clarification purposes. Upon notification of acceptance by the Examiner, formal substitute drawings will be mailed for entry in the file.

### In the Specification

Amendments to the specification are requested as indicated below with terms between double dash marks "-- --" indicating terms to be added. The amendments are made primarily in response to objections raised in the Action, and do not add new matter to the application as filed.

Please amend the Specification as follows:

At p. <sup>6</sup>2, line 2, please replace "5" with --8-- after "(Fig.". GD

At p. 6, line 3, replace "8" with --5-- after "(Fig.". GD

At p. 7, line 9, replace "42" with --40' and 41, 41'--.

At p. 7, line 11, delete "a" and add --39, 39'-- after "flights".

At p. 7, line 14, replace "chain" with --chains--.

At p. 8, line 12, add --40', 41'-- after "sprockets".

At p. 9, line 3, replace "groove" with --grooves--.

At p. 10, line 7, add --55'-- after "way".

At p. 10, line 10, add --55'-- after "way".
